A photograph of a happy multi-generational family of six people. From left to right: a woman with dark curly hair wearing a red and white checkered shirt; a man with dark hair and a light beard wearing a light blue button-down shirt; a young girl with long brown hair wearing a purple top; a young boy with short brown hair wearing a white and blue striped shirt; a woman with long dark hair wearing a yellow textured top; and an older man with grey hair wearing a straw hat and a light blue polo shirt. They are all smiling and appear to be outdoors in a park-like setting with trees and sunlight.
